MEMORANDUM FOR: Deputy Director for Administration

VIA: Headquarters Claims Review Board Members

FROM: [REDACTED]

Chairman, Headquarters Claims Review Board

SUBJECT: Proposed Revision to [REDACTED] Recommended by
The Headquarters Claims Review Board

1. During a meeting on 23 April 1981, the Headquarters Claims Review Board (HCRB) unanimously recommended that the operating official's authority to settle claims be raised from \$100 to \$300. The Board felt this adjustment was needed due to high inflation in today's world. Operating officials would also perceive this decision as a positive signal of confidence in their judgment, thereby, in a small way raise their morale.

2. It is therefore proposed that operating officials, heads of independent offices, and chiefs of [REDACTED] field installations be authorized to take final action on claims of \$300 or less. All claims in excess of \$300 are to be submitted to the HCRB for review and adjudication.

3. If you approve the Board's recommendation, the necessary action will be taken to change the regulation to reflect this new policy.
